BECOME A CORPORATE HVAC/R SPONSOR

On behalf of the Officers and Board of Governors of ASHRAE the Society of Heating, Refrigerating and Air-conditioning Engineers, Inc (ASHRAE – Qatar Oryx Chapter), We thank you all for your support to the Chapter activities in the previous year.

As professional non-for-profit organization, the ASHRAE Oryx Chapter assumes its professional responsibility to advance the arts and sciences of heating, ventilation, air-conditioning and refrigerating to help humanity and promote sustainable world through interaction between local and global Societies and other professionals.

The ASHRAE Qatar Oryx Chapter will host monthly meetings, educational, technical and social activities and events during the year. These events bring together hundreds from the Doha premier Engineering community, System Designers, Consulting Engineers, Contractors, Teachers, Government officials, and manufacturer’s representatives where they are using the website for registration. As an Engineering your company will not only provides vital support for these activities but also help fund ongoing Chapter-level scholarship and research efforts aimed at advancing tomorrow’s HVAC&R Engineers and technology.

In order to make the Chapter activities in a big success and to offer high quality scientific programmes we are dependent on financial support from sponsors. Therefore we kindly ask you to support our Chapter by Sponsoring our website and Newsletter.

On the next page we offer you benefits for sponsors. If there are any ideas, suggestions or questions regarding sponsorship, please free to contact us by email at kinan.fahs@ashraeqatar.com or by phone at +974 3363 6674
